RESERVE CHAMPION FEMALE. RIBBON

*Standard Guarantee*  
OF  
AMERICAN SHORTHORN BREEDERS  
ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

## Information for the Buyer

**FREE FREIGHT OFFER** - The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this National Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Memphis Tennessee, and receipted paid transportation bill must be presented.

**MAIL BIDS** - Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing **THE SHORTHORN WORLD**, 16 So. Locust St.  
Aurora, Illinois

Hal Longley                      Mervin Aegerter                      Don Longley

Representing **AMERICAN SHORTHORN BREEDERS' ASSN.**  
Clinton K. Tomson                      Ted Aegerter                      Stan Perkins

**SHIPPING ARRANGEMENTS** - It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

**LIABILITY** - Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

**INSURANCE** - Coverage may be secured effective at the time of sales.

**GUARANTEE** - All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association which is printed elsewhere in this catalog.

**AUCTIONEERS** - J. E. Halsey, Des Moines, Iowa  
C. D. Swaffar, Tulsa, Oklahoma

Clinton K. Tomson, Secretary,  
**AMERICAN SHORTHORN BREEDERS' ASSOCIATION**

Red, Haylands Farms

RED VICKING - is one of the first calves from our new imported bull, Saltoun Vicking - and he possesses most of the things a good breeding bull must have.

## Good Bulls for greater Progress

Investing in an outstanding purebred Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn bull will raise the standard of the calves from just average cow herds immediately . . . and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to their dams.

The bulls offered in this sale are just the type to lead the progress of the breed in the future decade.

STROWAN RANSOM UPRIGHT - is a son of the great Perth Champion, imported Pittodrie Upright. His dam is truly a great cow. One of her daughters produced a heifer that went to the Kilcawley herd in Ohio at \$1,850. Study this pedigree. Netherburn Lady Ransom 2d is a grand-daughter of the Perth Champion, Millhills Ransom. Here is a good herd sire prospect.

## LOT 22 BULL

 Coldoch Golden Bud (223168)  
 Roan, W. McNair Snadden

SANDOON DAKOTA - his sire, Sandoon Captivator, sold at the International Sale to Swanson Bros., Estherville, Iowa for \$3,800.

# SHORTHORNS

## Shorthorns are money-makers

The purebred Shorthorn bull has been called the "greatest Missionary of progress" in the beef cattle field. Shorthorns have lent their scale, early maturing qualities, good dispositions and milking ability to almost every improved bovine breed at some time in its evolution. The great strength of the Shorthorn lies in its unrivaled range of adaptability and its ability to turn forage into prime beef faster than any other beef breed. Early Shorthorn maturity comes primarily from their greater capacity for milk production when compared with all other beef breeds, from their quiet easy feeding dispositions, and from their greater natural size. REMEMBER, YOU SELL BEEF BY THE POUND--and you GET MANY MORE POUNDS WITH SHORTHORNS. You can't beat them as money-makers.

### LOT 24 BULL

**F. W. HARDING**  
**ANOKA COMMANDO 2586784 RE-138**

Red, calved August 28, 1949. Bred and owned by F. W. Harding, Maukesha, Wisconsin.

<i>Sire</i>	Morphie Commando (339585)	Bapton Commando (329336)

Red, Woodruff Farm

EDELLYN VICEROY MERCURY - is sired by the Iowa State Fair Grand Champion and out of a good producing, well bred Cruickshank Victoria cow. This early maturing youngster will be in our show herd and we consider him one of the deepest bodied, lowest set calves we have shown. He is a typical Mercury in his good doing qualities and ruggedness. His sire is proving a great breeding bull at Edellyn and we rate this calf highly.

# SHORTHORNS

## Shorthorn Steers excel

These prime Shorthorn steers established a record for the greatest gains ever made in the Ralston-Purina Experiments, averaging on the 322 day feeding test 2.21 pounds per day gain, as compared with 1.95 average gain of the other two beef breeds.

A quarter of a pound advantage per day equals over 80 pounds per animal for this particular feeding period. All carcasses graded U.S. prime. Performances of this nature are responsible for the slogan: "Shorthorns . . . . best in every WEIGH."

BURTON ORANGE MAID 3D - Is an extremely low-set heifer that is the result of that famous Mercury-Royal Leader cross. You will like her. BRED JUNE 24, 1950 TO BURTON ROYAL LEADER 2174461.

# SHORTHORNS

*New herds grow into this*

Each year an impressive number of new herds are started with a first purchase of a bull and two females, a brood cow and calf, a bred female, or maybe just a young heifer. An intelligent beginner started this herd and by careful selection has brought it to this high state of bloom and economic efficiency. New breeders of registered Shorthorns have increased 100% in five years over the previous all-time figure. These females are strong topped, in the pink of condition, square, breedy-looking, smooth of flesh and full of quality, with a commanding presence. Wide, low-set females of ample scale and substance are the kind that produce calves which can take a herd on up into national recognition. Shorthorn cows make ideal mothers with ample milk to give a calf the earliest possible start to maturity. Since you sell beef by the pound, CHOOSE SHORTHORNS, BEST IN EVERY WEIGH.

## LOT 37 COW

**F. W. HARDING**

**ROSEWOOD ANOKA 2539234 RE-126**

# SHORTHORNS

## The Shorthorn way... Efficiency...

### Economy and Dependability

Shorthorns have proven themselves many times over to be efficient, dependable and profitable. Their thriftiness is gratifying... their adaptability is unsurpassed... their greater weight for age is inherited... and their ability to start strong, robust calves toward early maturity adds still another advantage to their long list of recommendations as the ideal beef breed.

This sale offering is composed of bulls and females capable of increasing your potential farm profits... hand-picked animals that best represent the continuous strides made by modern type Shorthorns.

# SHORTHORNS

## *Are you producing profitable calves*

EXTRA WEIGHT makes bigger returns in the cattle business. Demand for Shorthorn bulls for cross-breeding is the greatest in modern history BECAUSE THEY SIRE BIGGER CALVES. . . both purebred and crossbred. Modern records, showyard competition and practical experience by all seasoned cattlemen prove conclusively that bigger calves gain and weigh more at any age. They make MORE EFFICIENT, MORE ECONOMICAL, MORE PROFITABLE use of all feeds and especially GRASS.

To produce calves like the ones pictured, select bulls offered in this Sale. They combine the necessary type and breeding so important to future progress.

## Your Three-way Opportunity

Commercial breeders, who represent a vast majority engaged in the production of beef cattle . . . the farmer-breeders, who maintain relatively small herds of commercial cattle . . . and breeders of pure-bred registered cattle constantly seek herd bulls and foundation females.

Thus the demand for improved breeding stock is three-fold . . . and is conclusive assurance of future security for breeders of Shorthorns of the profit-producing type demanded by ranchers, farmers and breeders alike.

Establish your herd in this sale . . . the bulls and females have been carefully selected to provide you with ideal foundation animals.

STROWAN BLOSSOM - Comes from one of the good families in the Mather's herd. Her dam has been one of our good producing cows and her sire was Junior Herd Bull at Elmhurst Farms. His first calf crop proved him to be a real breeding bull. SELLS OPEN.

## Unexcelled Shorthorn Mothers

Every cattle breeder likes his cattle with good even dispositions, gentle, with big calves and long lactation periods. Shorthorn cows fill that bill perfectly. These matrons show the great placidity of disposition which, added to the ability to produce abundant milk, make Shorthorn females such excellent mothers.

Those who study their costs in raising helpers are convinced that it pays to raise only the good ones. It takes just as much feed, just as much time, just as much barn and pasture room to raise poor ones as it does cows like these that are bred right . . . . . but there is a lot of difference in the check when it's selling time for either the calves or their dams.

QUEEN OF BEAUTY 4TH - is our winning senior yearling show heifer this year..... she is very smooth and thick and should make a grand cow. BRED APRIL 4, 1950 TO GOLD KING, our Junior Yearling show bull. BANGS VACCINATED.

Shorthorns  
mature the  
earliest of all  
beef breeds.

Shorthorns  
give you  
more pounds  
of prime beef  
at less cost.
